# Total Digital Integration

for teeth and implants  
*where are we today?*

## Frank DDS Higginbottom

PRESIDENT, AMERICAN ACADEMY OF RESTORATIVE DENTISTRY  
FELLOW, AMERICAN COLLEGE OF DENTISTS  
FELLOW, INTERNATIONAL COLLEGE OF DENTISTS

### Course Description

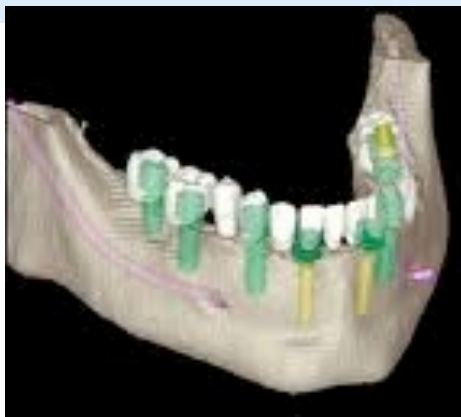

#### Total Digital Integration for Teeth and Implants

#### *Where are we today?*

We are very fortunate to be able to bring Dr Frank Higginbottom, a world recognized pioneer in dental implants, and a perpetual innovator, to the March Club Meeting. He will share with us the modern marvels of digital dentistry - from diagnosis, planning, to impressing and guided surgery and to milling of the prostheses.

Following the presentation, there will be case reports, and a "mini-expo" - to be able to play around with the gadgets of modern dentistry.

Breakfast and lunch will be served.
